Hi Janice.

I am responding to our last correspondence here. I know it has been a while but we have finally been issued a new certificate of existence from the Secretary of State's office with our correct information. I have attached this here for you. It now reads as it should with no DBA or Kelly's name.

Carolina's Executive Limo-Line, INC.

I know Carole was going to roll our payment over to the first half of this year so I hope that is still the case. I believe this is the last piece of information in order to obtain our ORS decal and become legal to operate.

Have I missed anything? Thanks for all of the help.

Best regards,

Justin Bailey

Justin,

When you applied for the authority, you put on the cover sheet – Kelly L. Klaiber d/b/a..... There was no Certificate of Existence attached with the application. Before we can process your request, you need to contact the Secretary of State's office and have them re-issue the certificate to read: Carolina's Executive Limo-Line, LLC. They have it listed as Carolina's Executive Limo-Line, Inc. LLC. If this is the correct name, please let me know and I will use this to start the process. If you have any further questions, please call at 803-896-5240.

Thanks

Janice,

I have attached here for you. Let me know if you need a fax, but I figured this was just the same.

For the record, this was filed with the state in June. We did not change our name during the application process for the class C charter certificate so I am a bit confused as to why there has been a hiccup in the process here. Please let me know if I missed something or we did something wrong during the application process. We have been an LLC since creation of the company.

Thanks,

Justin Bailey

Justin,

I am still waiting on the Certificate of Existence that SC Secretary of State issues. It has the state seal on it. Please fax it to 803-896-5199. That is the Public Service Commission Clerk's office fax .

Thanks,
